

OTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipution, indigestion, biliousness, sick

headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.

A COMMON SENSE POLICY.

Kansas is the first state to bar the drinker from holding public office. The civil service commission, at the suggestion of Governor Capper, incorporated this rolling in the new law. "Most of the big corporations and other of the rolling in the new law. "Most of the big corporations and other of the rolling in the new law. "Most of the big corporations and other of the rolling in the new law. "Most of the proposal of the proposal of the stomach and liver, but this will have little weight with you as compared that would pay him enough to make up to meat that had a summer joby to make that had a subconscious freak' but it seemed as if I could hear my nerves say, 'Run, run!' I would jump at the slightest noise. Sued, application for letters of administration issued and letters of administration issued to D. E. Carroll. Appraisement dispersion of Governor Capper, incorporated this ruling in the new law. "Most of the big corporations and other of the proposal of the propos ated this ruling in the new law, "Most of the big corporations and other of the big corporations and other large employers have adopted the policy of not employing drinking people," said the Governor in his letter to the Commission. "In my judgment a state can well afford to follow in such footsteps."

A state can well afford to follow in such footsteps."
